1. OUTLINE

This program provides grants to cover partial expenses to implement a) international cultural and art exchange events, b) projects concerning Japan in the purpose of enhancement of Japanese Studies in Vietnam, c) international intellectual collaborative projects. The program is designed to deepen mutual understanding and to establish closer relations between Japan and Vietnam or other countries.

2. ELIGIBILITY AND PRIORITIES

(1) Qualified Projects

Projects concerning Japan or involving Japanese experts in the following fields;

- a) International art and cultural projects (e.g. art exhibitions, stage and performing arts)
- b) Projects concerning Japan in the purpose of enhancement of Japanese Studies in Vietnam (e.g. joint research, conferences, seminars/workshops/intensive courses)
- c) Global Partnerships projects (e.g. international conferences, seminars, workshops, and training) that address the following activities and focuses:
 - Activities that increase mutual understanding and tolerance for diversity
 - Activities that contribute to the development of an equitable and open society
 - Activities that address common problems in Asia and Oceania and require international cooperation
 - Activities contributing to fostering a sense of common values in Asia

(2) Priorities

- a. **International arts and cultural projects (e.g. visual arts, performing arts, film showing)**
 - a) To make better understanding of Japanese arts and culture among the people of Vietnam
 - b) To enhance international exchange and cooperation between Japan and Vietnam
- b. **Projects concerning Japan in the purpose of enhancement of Japanese Studies in Vietnam**
 - a) Joint-research and conferences whose results will be published
 - b) International cooperative projects that are to be conducted between two or more institutions, or that will enhance the networking of the Japanese Studies institutions/researchers
 - c) Workshop/seminar/intensive course projects that include audiences from other institutions
- c. **Global Partnerships projects**
 - a) Japan's involvement: Projects in which Japan's contribution is highly recognized
 - b) Multilateral projects: Projects that involve participation from a number of countries and not limited to bilateral exchange
 - c) Multi-sectoral projects: Projects that aim to include participants from a variety of sectors of society (e.g. academics, policy-makers, community or non-governmental organizations)
 - d) Interdisciplinary projects: Projects that aim to cross disciplinary boundaries and contribute to the expansion and development of an extensive intellectual network, in particular, projects which contribute to the development of human resources for the next generation

(3) Eligibility

- a) Applicant should carry out the project as institution and should cover a part of the cost.
- b) Projects should be implemented and completed within a Japanese fiscal year (from April 1 to March 31 next year).

(4) Non-eligibility

- a) Applications from individual are not accepted.
- b) The following projects are not eligible.
 - Projects dealing solely with topics in the field of natural science
 - Commercial activities, missionary activities, political activities, and election campaigns
 - Activities in support of specific doctrines or claims
 - Capital fund and endowment drives, debt reduction, donations, public relations campaigns, advertising, creation or support of awards or grants
 - Purchase of land
 - Design, construction, or maintenance of buildings or monuments
 - Projects that focus on developing weapons and military technology
 - Procurement of equipment
 - Sports activities including the training of players and the organizing of or participation in sporting events
